---

Counsel, the deadline for Plaintiff to move to amend the complaint in this matter is currently set for 2/14. Due to the volume of discovery and anticipated discovery disputes, River City intends to request a 30-day extension of that deadline. We have drafted the attached stipulation reflecting the same. Please review and let us know if you will stipulate to an extension of the deadline to 3/14 and will allow us to affix your electronic signature to the stipulation. We would like to get this on file today, so we appreciate your prompt attention. Please let us know if you have any questions or concerns.

Thank you,  
Samantha
